

## **Report of Industrial Visit: 2017-18**

### **Subject: Labour Law**

**Class: NLC III**

**Date of the visit: 21/09/17**

Every year our college organizes educational visits for various subjects as part of curriculum. One of such subject is Labour Law. Every year for students of LLB I year and NLC III year industrial visit is arranged for better understanding of actual working conditions of workers, employer and employee relationship and to observe whether labour laws are implemented effectively. This year visit of NLC III students was organized at The Printwell International Private Limited, Chikalhana, Aurangabad.

For arranging this visit we have invited names of interested students from NLC III. We have received names of total 48 students. List of the students along with their phone number is attached with this report. After receiving names we send letter dated 18<sup>th</sup> September 2017 to The Printwell International Private Limited seeking their permission to visit their industry. On receiving consent from the industry students along with two faculty members namely Prof Pratibha Girbane and Prof Anju Singh visited the industry on 21<sup>st</sup> September 2017. Students take active participation during visit and interacted with the employees and members of management.

College has also provided some study material to students during this visit. We have collected feedback forms from students about visit.
